

PROJECT	TYPE	CATALOG NUMBER
---------	------	----------------

### DESCRIPTION

- Four light recessed accent / downlight - small size
- All steel 18GA construction with powder coat finish
- 1" Trim flange with 4" x 16" open aperture
- Trim flange removable for maintenance
- Vent holes for cooler operating temperature
- Trim features deep sleeve to conceal inner components
- **Ceiling Cut-Out - 4.50" x 17.12"**

### LED Source

- Field-replaceable integral LED module
- Field-changeable optic
- Bridgelux / CREE / **ValuDIM™**
- Accepts up to 2 or more optical accessories
- Double gimbal lamp holder with tilt aiming
- Trim mounted double gimbal standard with optional single gimbal flush yoke, regressed yoke or adjusting retractable yoke

### ELECTRICAL

- Field-replaceable integral LED driver
- Electrical wiring compartment integrated into housing construction
- Thermal protection
- Easy maintenance access through ceiling opening
- Rated for through-branch wiring
- Dimmable

### MOUNTING

- Butterfly brackets for commercial installation in drywall, wood, stone, acoustic tile, or other ceiling types
- Perforated plate adjusts for 1/2", 5/8", 3/4" & 1.0" ceiling thickness
- Heavy duty **L-Bars™** hanger bar system ordered separately **LF #LBARS4PK**

### LABELS

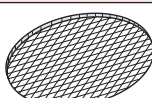

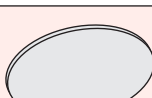

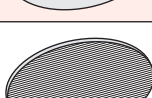

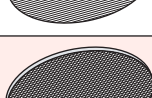

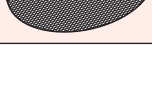

- Suitable for damp location

**ValuDIM™**

LF Illumination's new **ValuDIM™** warm dimming allows the features of warm dimming technology to be installed in fixtures and price points once thought impossible. The small footprint LED COB design uses many of our standard subassembly components and is compatible with virtually all standard dimming protocols currently available.

The LED itself maintains 95CRI typ (92CRI min) across the usable CCT range of 3000K to 2000K and dims down to around 2% visible light output. ValuDIM™ comes in three standard beam spread offerings of 17° narrow, 25° medium and 38° wide.

**5 YEAR WARRANTY**  
Limited
